

To Begin Research or Request a Free Assessment

I would like (please tick box as appropriate):

a Free Assessment of the prospects of research

to begin research (in this case please enclose the completed payment form)

Surname of family to be researched: (We recommend concentrating on a single surname within the Standard and Limited programmes)

Details of any previous research: (If you already have a research report or printout, please send us a copy. If you have relevant birth/marriage/death certificates, please send copies if possible.)

Any special research interests: (If left blank, we will concentrate on researching back as far as possible within the budget, noting full details of siblings, occupations etc.)

Now fill in the family tree chart as fully as you can. If this is not suitable for your requirements, please use it as a guide to the type of information we need.

Your name and address:

Daytime telephone number or email address we can use in case of queries:

Please use the chart below to tell us what you know about the family line in which you are interested, adapting the chart if necessary.

Don't worry if you only have some of this information; **what is important is that you tell us as much as you do know**, to maximise the value of the research or assessment.

If you require research on more than one surname line, please give similar information on a separate sheet.

The family information that you provide is treated as strictly confidential.
